Agenda Item: Matthews Village East (2022-749), 14704 Idlewild Road

TO: Matthews Board of Commissioners
DATE: April 11, 2022
FROM: Nadine Bennett, Senior Planner

Request/Summary

The applicant wishes to postpone their public hearing for the property east of Stallings Road (in the Eastern Gateway Small Area Plan area) so that it can coincide with the application for Matthews Village West (the property on the west side of Stallings Road). The TIA is being prepared for the entire site, and it makes sense for the two applications to be heard on the same night.

Recommended Action:

Call for Public Hearing on June 13, so that it can be heard along with Matthews Village West.
